

OFFICE OF THE DEAN OF STUDENTSArts and Crafts Workshop

The Arts and Crafts sale held last November realized a profit of eighteen hundred dollars. This money has been turned back to be used for a series of Arts and Crafts Workshops, which will be opened to the university community. It will provide participants with an opportunity to learn something about crafts such as macrame, pottery, enamelling, jewellery, silkscreen, candlemaking and leathercraft. There will be a nominal registration fee, and participation will be on a first come, first serve basis. Materials, tools, etc. will be available. The first workshop is tentatively scheduled for January 25, 26, 1974. Contact Assistant Dean A.D. Insley for further information (879-4370).

Out-of-Country Students

Out-of-country students are not eligible for basic coverage under the Quebec Hospitalization Plan and the Medicare Plan. Consequently, compulsory insurance is required for all out-of-country students.

All new out-of-country students presently registering are asked to contact Mrs. Mary Glowacki in the Office of the Dean of Students, Room H-405, for this coverage as soon as possible (879-5981).
